*****PERSONAL AND CONFIDENTIAL*****

To Whom It May Concern:

You are well aware of who we are and what we are doing. Our work is known as a Marvelous Work and a Wonder®. We published *The Sealed Portion* of the gold plates, from which the unsealed portion (the *Book of Mormon*) was translated, in 2004. We also published the unfolding of the New Testament book of Revelation in 2006, according to the fulfillment of our *Book of Mormon* prophecy found in Ether 4:16-17. We have published and will continue to publish many “other books” according to the prophecy found in 1 Nephi 13:39.

You are well aware of our latest book, *A New American Scripture—How and Why the Real Illuminati® Created the Book of Mormon*. This book proves to any sincere reader, not only that our group was responsible for the writing and publication of the *entire* record known as the “Gold Plates of Mormon” (both unsealed and sealed parts), but also how your church has corrupted and transfigured the important message and lessons of this record.

You should be well aware of the stories about Abinadi and Samuel the Lamanite, as published in the *Book of Mormon*. Neither of these characters were members or leaders of the ancient church. Yet God called these men to confront the established church and call its leaders and members to repentance. You are also well aware of our chosen True Messenger, Christopher. He was called, as reflected in the Holy Temple Endowment, as a True Messenger, sent by Elohim and Jehovah to confront the false teachings given to all of humanity by the “god of this world”—Lucifer.* You are well aware, or at least you should be, that neither Elohim nor Jehovah hears nor answers any prayer, of any kind, of any sincerity, while Adam and Eve dwell in the “lone and dreary world.” It should be clear that your church, its leaders, and its members pray and receive answers to their prayers from the only source that hears them,* as clearly presented in the Holy Endowment presentation.

We are offering you a chance to have a series of meetings with us. ALL of us. We will not reveal the contents of this letter to the public, if you choose to allow the meetings to take place. We will hold the purpose and context of our meetings private. There will be no recording of the meetings on our part. You may record them as you desire. We will give you 10 days from the date above to make contact and advise us of your willingness to meet with us. If we do not hear from you, we will release the contents of this letter to the press and to the world, and we will discuss our intentions regarding your church “upon the housetops.”

We are those of whom the *Book of Mormon* testifies as the three Nephite disciples of Christ and John the Beloved. (Please review 3 Nephi, chapter 28 *very carefully*.)

We await your timely response.

Respectfully,
The Real Illuminati®.
